65' Pershing

## EXPERIENCE M/Y Loki

*Miami, Bahamas & Caribbean*

This Pershing vessel exudes a captivating blend of sleek aesthetics and exhilarating speed. Its streamlined, aerodynamic design, bold metallic Silver finish, and impressive performance make it an absolute standout. The Pershing 65 boasts a distinctive feature: a sliding glass entry door that effortlessly vanishes into the floor at the push of a button, unveiling a spacious and inviting salon while transforming into an expansive lounge area. Step onto this remarkable craft and revel in the exhilarating experience of high-speed travel without compromising on luxurious comfort.

## ABOUT THE BRAND

*Pershing*

Pershing expresses and evokes the very best of what makes Italy special to the world: its taste, style and savoir faire, sense of beauty and luxury, applied creativity, as well as its search for more surprising design, more sophisticated materials and details, and more elegant furnishings.

The utmost expression of performance, technology and innovation is given new life every day in the Mondolfo boatyards, where all Pershing fibreglass yachts are made
