

Yacht Overview

VG 62 Power Catamaran

EXPERIENCE M/Y Legend & Soul

Miami, Bahamas & Caribbean

The VG 62-foot is the first power catamaran entirely built in Italy. It is a high-performance luxury yacht capable of arriving in places where others can only get to by tender. More stable, more comfortable, faster, and safer, providing above-and-below deck roominess superior to any monohull vessel of similar dimension.

ABOUT THE BRAND

Vicente Gonzalez Yacht Design

VG Yachts was founded by Vicente Gonzalez and developed from a mixture of passion for boats and the ability to create and build things. Upon its launch-- the brand quickly gained global recognition for its unique power catamarans. These spacious Italian low draught yachts offer superior comfort and stable yachting experiences.
