ABOUT THE BRAND

Vanquish Yachts

Based in the Netherlands at the epicentre of the world's premium yachting industry, VQ Yachts offers boaters something truly unique.

All VQ yachts share a base set of characteristics: a high-performance engine and comfortable facilities to match the high-speed excitement. VQ Yachts only creates boats for demanding individuals, so every yacht is crafted with total quality and reliability, and equipped with the latest engineering technologies and systems.
