EXPERIENCE The Falcon 2000/2000X

Based in North America

Close to 600 Falcon 2000 series aircraft are in service today, praised for their robustness and reliability, remarkable cost-effectiveness and unmatched performance. Each iteration has built on the platform's many strengths, and the Falcon 2000LXS represents the best of the best. With more range, more payload, superior mission flexibility and lower operating costs, it's the worldwide leader in its class.

ABOUT THE BRAND

Falcon

Among all the business aircraft flying all over the world, only one can trace its heritage to legendary fighter jets like Mirage and Rafale. Every Falcon carries technologies proven in the fiercest environments. With DNA like that, it's no wonder nothing flies or feels like a Falcon.
